## No room for 'Me First'

By Glensie Dreaver  
 "There's a lot of 'Me First' around," says Elmar Galitis, managing director of Aniscorp. His Johnsonville-based IT company has a big global reach. With just 16 staff, they work internationally, "punching way above our weight," he says. However, he firmly believes that any company, no matter what size, has the opportunity to make a difference somewhere.
